

SPRING REGISTRATION 2019

Important Registration Dates:

- Registration Opens November 15th, 2018
- Registration Closes December 1st, 2018
- Team Withdraws with Full Refund: By January 1st, 2019

New to the League?

If you are new to the league, you will need to register as a club first. If you have changes in personnel or management please update them here since this file generates our club email lists.

Club Registration Link: <https://nsl.sportngin.com/register/form/809450051>.

Team Registration:

You must register each team your club plans on playing in the Spring 2019 NSL season in SportsEngine.

The NSL Spring Registration Link is: <https://nsl.sportngin.com/register/form/757427221>

Spring 2019 Team Fees	
7v7 & 9v9 teams:	\$675
11v11 teams:	\$875
Registration Deposit: required at the end of registration and applied toward your total balance of registered teams	\$500

Deposit Payment:

- NSL accepts credit card, debit card, or electronic check.

Sharing Coaches:

- For each team that is registered, you will need to list the other teams that are being coached by the same person.

GotSoccer Numbers:

- When registering, you will be asked to enter the team's GotSoccer Number.
- If your team does not have a GotSoccer number, follow these instructions to obtain one.
 - **Get a GotSoccer Number:** <https://nslsoccer.org/wp-content/uploads/2018/10/NSL-Obtaining-a-GotSoccer-Number-Spring-2019.pdf>
- The GotSoccer number is used to load the schedule to GotSoccer.
 - Incorrect GotSoccer numbers cause the incorrect team to be added to the schedule.

Updating Your GotSoccer Information:

Please make sure each Team's information is correct and up-to-date in GotSoccer. This includes the teams name, age group, and coach/manager contacts.

Please Note: NSL strongly suggest that you use the birth year in the team name rather than age group (i.e. Boys 2005 instead of Boys U14). This eliminates the need to change the team name each year.

For questions contact Kathy Irwin at leagueadministrator@NSLsoccer.org.

Field Registration:

In addition to registering your teams, you will need to provide the league the fields you plan on or expect to use during the spring season.

Field Registration Link: <https://nsl.sportngin.com/register/form/011606062>

Field Usage Information:

- You can list up 4 separate locations and up to 7 fields at each location.
- For each field, you will specify their available during the season. *Please be sure to note if the fields are not available due to High School Graduation or some other event.*

Field Requirements:

- You must provide enough field time to host half your games at home.
- Please total the number of team registered using each field size (7v7, 9v9, 11v11) and submit fields quantities for each field size based on the following team counts.
 - 1-4 teams 1 field
 - 5-8 teams 2 fields
 - 9-13 teams 3 fields
 - 14-19 teams 4 fields
 - 20 teams or more 5 fields

Spring 2019 Game Times	
7v7 & 9v9 teams	9:00 am, 10:15 am, 11:30 am
11v11 teams	1:00 pm, 2:45 pm, 4:30 pm

Small Club Clusters:

Clubs comprising of 1 or 2 teams may join together to share a field. We strongly encourage 1 or 2 team clubs to work together in securing fields as we will schedule single matches but will not usually be able to supply a full 11v11 crew of 3 referees if there is only one match on a field.

TeamsCompete Confirmation Emails:

TeamsCompete is the NSL scheduling provider. With-in 48 hours of your team registration, you will receive an email from TeamsCompete confirming the data you submitted.

- There are two emails- One for your teams and one for your registered fields.
- Please reply back to TeamsCompete with all changes to the data listed. This includes: Dropped Teams, Teams Sharing Coaches, Team Names, Field Availability Changes, etc.
- Questions to TeamsCompete: NSL@teamscompete.net

TeamsCompete's scheduling overview can be viewed here: http://teamscompete.com/?page_id=448

Season Information, General Divisional Structure, Team Placement

Spring 2019 Play Dates:

- 4/7, 4/14, 4/28, 5/5, 5/12, 5/19, 6/2.
- No Games Easter Weekend (4/11) or Memorial Day Weekend (5/26)

9U (2010) & 10U (2009):

- Teams play one game each week on a 7v7 lined and equipped field.
- The roster limit is 14 players. Minimum roster size is 9 players
- Standings are not maintained for these age groups.
- There is usually one higher section which is not based on geography and multiple lower sections which are based on geography depending upon who the teams are.

11U (2008) & 12U (2007):

- Teams play one game each week on a 9v9 lined and equipped field.
- The roster limit is 16 players. Minimum roster size is 11 players
- Spring divisional placement is based on fall results.
- Divisional placement is regionalized to some extent. For example, there could be a high section, a middle section and 2 low sections based on geography.

13U (2006) - 18/19U (2000):

- Divisions are based on Spring 2018 results.
- The roster limit is 22. Only 18 players may participate in each game. Minimum roster size is 13 players
- The Club divisions will be regionalized to the extent possible while keeping the sections competitive.
- For the U18/19 age group 25% of the roster may be U19 (2000).

New teams will be accepted in all age groups until the registration deadline. After that it will be dependent on whether space is available.
